The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. Benefits may change upon renewal. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.horizonblue.com/cooper or by calling 1-800-355-Blue(2583). If you do not currently have coverage with Horizon BCBSNJ you can view a sample policy here, HorizonBlue.com/sample-benefit-booklets. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.cciio.cms.gov or call 1-800-355-BLUE(2583) to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	$5,000.00 Individual / $10,000.00 Family per calendar year for in-network. $10,000.00 Individual / $20,000.00 Family per calendar year for out-of-network. True Family Aggregate.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the policy, the overall family deductible must be met before the plan begins to pay.
Are there services covered before you meet your deductible?	Yes. Preventive care is covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet **deductibles** for specific services.
What is the out-of-pocket limit for this plan?	For in-network Health providers $6,450.00 Individual/ $12,900.00 Family. For out-of-network Health providers $15,000.00 Individual/ $30,000.00 Family. Aggregate Family.	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limits** until the overall family **out-of-pocket limit** has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the **out-of-pocket limit**.
Will you pay less if you use a network provider?	Yes. See www.HorizonBlue.com or call 1-800-355-BLUE(2583) for a list of network providers. Benefits provided by in-network providers and BlueCard PPO providers are at the in-network level of benefits.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.

Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
